# desert

In the old traditional style of riding camels, and  
many different desert activities in the middle of  
the desert in the Imam Abdulaziz Bin Mohammed  
Royal Reserve.

A wide-angle photograph of a desert landscape. A calm river flows through the center, reflecting the sky. The banks are covered in low-lying green and yellow shrubs. In the distance, a few trees stand on the horizon. A vibrant rainbow arches across the sky, with its colors clearly visible. Two thin, curved lines, one white and one yellow, sweep across the sky from the left side of the frame. The overall scene is peaceful and natural.

# Environmentally friendly

tourism practices

We offer adventurous experiences that reflect the beauty of nature in the Kingdom of Saudi Arabia and in Imam Abdulaziz bin Mohammed Royal Reserve
