A photograph of two hikers walking away from the camera on a rocky desert trail. The hiker on the left is wearing a white t-shirt, light-colored shorts, a tan hat, and a black backpack with a green patch that says 'AZO'. The hiker on the right is wearing a dark t-shirt, blue jeans, a tan hat, and a black backpack. The landscape is arid with rocky terrain and a hazy horizon. The text 'A young and' is overlaid in white on the upper right.

A young and

ambitious team

To organize trips, events, adventures and all types of ecotourism activities in King Khalid Royal Reserve.

The background image shows the interior of a large, brown, striped tent. The floor is covered with light-colored, shaggy animal skins. In the background, there are long, low sofas or beds with patterned cushions. Several woven, bowl-shaped lamps hang from the tent's structure. In the foreground, there are more animal skins and a small, colorful rug with red, orange, and blue stripes.

**We are interested in providing a unique
experience in which the tourist lives the life of**

desert

We aim to provide unique experiences in which the tourist lives the life of the desert, and a wide variety of desert activities in King Khaled Royal Reserve.

A photograph of three people riding bicycles on a sandy desert path. The person in the foreground is wearing a white shirt and a tan hat, riding away from the camera. Behind them, another person in a black shirt is also riding away. To the left, a third person in a plaid shirt and light-colored pants is riding towards the camera. The background shows rolling sand dunes under a clear sky. The text 'Environmentally friendly tourism practices' is overlaid on the right side of the image, with 'friendly' being the largest word. A thin white line curves across the bottom of the image, and a thin yellow line is visible in the bottom right corner.

Environmentally

friendly

tourism practices

We offer adventurous experiences that reflect the beauty of nature in the Kingdom of Saudi Arabia and in King Khaled Royal Reserve.

We aim to promote

ecotourism

Through the establishment of activities and unique adventures, in addition to promoting practices that preserve the environment and its sustainability.

A man with a beard, wearing a grey and black plaid shirt under a light-colored vest, is shown in profile aiming a bow and arrow. He is standing in a desert landscape with sand dunes in the background under a hazy sky. The text "We enhance recreational activities" is overlaid in white, with "activities" in a larger font. Below it, a smaller line of text describes the range of activities. Decorative white and yellow lines are at the bottom.

We enhance recreational activities

which includes a wide range of sports, sightseeing,
and cultural activities to enjoy unique experiences.

A group of hikers is seen from behind as they ascend a steep, rocky trail in a desert environment. The hikers are wearing various outdoor gear, including hats, backpacks, and sturdy shoes. The terrain is rugged with large, reddish-brown rocks and sparse desert vegetation. The background shows a steep, rocky hillside under a clear sky. The overall scene conveys a sense of adventure and exploration.

We offer a variety of activities

And encourage adventurers to share
the enjoyment of exploration.

The background image shows three people in silhouette against a sunset sky. In the foreground, a large telescope is mounted on a tripod. A person on the right is looking through the eyepiece. Another person on the left is pointing towards the horizon. A third person is visible in the background, also looking in the same direction. The sky is a mix of orange, yellow, and grey clouds. There are some thin, curved lines in white and yellow overlaid on the image.

sustainable ecotourism

We are committed to promoting sustainable ecotourism trips, events, and activities.

An unforgettable experience

Live the best moments in the daily camps
in the King Khalid Royal Reserve, to have
an unforgettable ecotourism experience.

A large, brown, conical tent is set up in a flat, sandy desert landscape under a clear sky. The tent is made of a heavy, textured material and is secured with ropes and stakes. A teal gradient is applied to the bottom portion of the image. Overlaid on the image are two thin, curved lines: a white one on the left and an orange one on the right.

An environmentally sustainable world

We offer you unique experiences that take you to an environmental tourism world, to experience new things.
