A photograph of two hikers walking away from the camera on a rocky desert trail. The hiker on the left is wearing a white t-shirt, light-colored shorts, a white hat, and a black backpack with a green patch that says 'AZO'. The hiker on the right is wearing a dark t-shirt, blue jeans, a dark hat, and a black backpack. The background shows a vast, arid desert landscape under a hazy sky. The text 'A young and' is overlaid in white on the upper right portion of the image.

A young and

ambitious team

To organize trips, events, adventures and all types of ecotourism activities in King Khalid Royal Reserve.

The image shows the interior of a large, traditional desert tent. The walls and ceiling are made of a light-colored fabric with dark, curved stripes. Several black metal poles support the structure. The floor is covered with a light-colored, textured material, possibly sand or a heavy rug. In the background, there are several long, low seating areas with patterned cushions and blankets. In the foreground, there are several large, fluffy white sheepskins or goat skins laid out on the floor. A colorful, striped rug is visible in the bottom left corner. Several woven, lantern-like lamps hang from the ceiling. The overall atmosphere is warm and rustic.

**We are interested in providing a unique
experience in which the tourist lives the life of**

desert

We aim to provide unique experiences in which the tourist lives the life of the desert, and a wide variety of desert activities in King Khaled Royal Reserve.

A photograph of three people riding bicycles on a dirt path in a desert landscape. The person in the foreground is wearing a white shirt, a tan hat, and olive pants. The person in the middle is wearing a black shirt and pants. The person in the background is wearing a light-colored jacket and pants. The background shows a large, flat-topped sand dune under a clear sky. The overall color palette is warm, with shades of orange, brown, and tan.

Environmentally

friendly

tourism practices

We offer adventurous experiences that reflect the beauty of nature in the Kingdom of Saudi Arabia and in King Khaled Royal Reserve.

We aim to promote

ecotourism

Through the establishment of activities and unique adventures, in addition to promoting practices that preserve the environment and its sustainability.

We enhance recreational activities

which includes a wide range of sports, sightseeing,
and cultural activities to enjoy unique experiences.

A group of hikers is seen from behind, ascending a steep, rocky trail. The terrain is rugged with large, reddish-brown rock formations and sparse, dry vegetation. The hikers are wearing various outdoor gear, including hats, backpacks, and sturdy shoes. The scene is captured in a cinematic style with warm, golden-hour lighting. Overlaid on the image are decorative white and yellow lines that curve across the frame.

We offer a variety of **activities**

And encourage adventurers to share
the enjoyment of exploration.

A photograph showing the silhouettes of people at sunset. In the foreground, a person is looking through a large telescope mounted on a tripod. Another person is visible in the background, also looking towards the horizon. The sky is a mix of orange, yellow, and grey, suggesting a sunset or sunrise. There are decorative white and yellow curved lines overlaid on the image.

sustainable

ecotourism

We are committed to promoting sustainable ecotourism trips, events, and activities.

An unforgettable **experience**

A photograph of a desert camp in the King Khalid Royal Reserve. The scene features several white, conical tents set up on a sandy dune. Each tent is accompanied by a brown, striped awning supported by black poles. The background shows a vast, arid desert landscape under a clear sky. The overall color palette is warm, dominated by the tan and brown tones of the desert.

Live the best moments in the daily camps
in the King Khalid Royal Reserve, to have
an unforgettable ecotourism experience.
